The Intra/Extraoral High Resolution Camera

From Full Face To Macro, It’s The All In One Camera

Take quick full face, arch and quadrant shots from the same handpiece; you are no longer required to switch devices for intra and extraoral shots!

QuickCam Duo works in all leading imaging software and can be used in conjunction with existing cameras.
Your Practice Deserves To Purchase The *Right* Camera!
Let Our Team of Experts Help You Make the Best Choice
